

Centre County Correctional Facility

It's that time of year again! Everyone must update their application and PREA training to remain an active visitor at the Centre County Correctional Facility. Regardless of when your last application and training had been done, this is a mandatory yearly update that must be done at the beginning of every year.

Please download and complete the 2019 application, and read the "Volunteer Service Provider Handbook", both can be found on the AA district 43 website: <http://www.district43.com>. Bring the completed application and your photo ID to January PREA trainings, applications will also be available at the training. Make sure to fill out the application full and honestly, a background check will be conducted.

CCCF is offering four classes in January to get everyone updated for the year. The class takes about an hour, and there is no test, all you have to do is attend. Make sure you RSVP to one of the upcoming classes to damurphy@centrecountypa.gov or let Lisa T. or Jules N. know which one you will be attending.

Tues	January 22	8:00 am
Tues	January 22	6:00 pm
Wed	January 30	8:00 am
Wed	January 30	6:00 pm

If you forget to RSVP, come to the training anyway, all are welcome.

Thank you in advance for you service,

District 43 Corrections Committee
